

Why buy from XAGRO?

Responsive

- a. Email response in minutes not days or weeks.
- b. Local USA phone numbers for no cost calling.
- c. Order online or from your smart phone.
- d. Forms / Documents available online in real time 24x7.
- e. Experience! XAGRO has been a leading exporter since 2010.

Better Grade

- a. We hand select every item using sizing tools.
- b. We pack what you ordered, not what we want to sell.
- c. We resell our seconds to other packing houses.
- d. When required, all post harvest chemicals are FDA approved.
- e. We wash in controlled / monitored water, NOT polluted river water.

PTI Compliant

- a. 100% PTI case level compliant.
- b. cGMP / HACCP / FSMA procedures in place.
- c. Full product traceability from farm to importer.
- d. Company GTIN's assigned to all products.
- e. Recall testing every 6 months.

Better Presentation

- a. Clean custom boxes. We are not afraid to pack in white.
- b. Labels affixed uniformly. You will not be embarrassed.
- c. Professionally printed labels. Protect your image.
- d. Scannable bar codes with Voice Pick code. Keep your buyers happy.

Freshest Quality Possible

- a. Harvest scheduled to meet order deadline.
- b. We do not buy and store product waiting for your order.
- c. Strict control of transport from field to plant.

Packer and Exporter

- a. We are licensed to Grow, Buy, Process, Pack, and Export.
- b. We pack what we sell. Our offices are not 350km away.
- c. We inspect what we sell. Assuring you get what you ordered.
- d. Quality Control office at each plant, not in Managua.
- e. Temperature recorder in every load. Protect your investment.
- f. Only ISPM 15 packing materials are use. Assured import entry.
- g. Contract rates with major carriers. Saves you money.
